

## NOTES

### **International Mathematical Summer Center.**

*Functional equations and inequalities* is the subject of the third C.I.M.E. session 1970, which will take place, under the scientific Direction of Professor B. Forte (Università di Pavia and University of Waterloo) in La Mendola (Trento, Italy) from August 20th to August 28th 1970.

*Problems in non-linear analysis* is the subject of the fourth C.I.M.E. session 1970, which will take place, under the scientific Direction of Professor G. Prodi (Università di Pisa) in Varenna (Como, Italy) from August 20th to August 28th 1970.

Those who wish to attend any of these sessions should apply individually *not later than July 10, 1970* to

Prof. R. Conti  
Secretary, C.I.M.E.  
Ist. Mat. U. Dini  
Viale Morgagni, 67/A  
50134 Firenze, Italy
