

IMPORTANT ANNOUNCEMENT

Because of the increasing flow of very good papers from research workers throughout the world, *Journal of Solution Chemistry* will be expanding in 1975. While the journal will continue to be published monthly, the number of pages published in 1975 will be increased by $33\frac{1}{3}\%$. Thus, Volume 4, 1975, will contain 12 issues; the subscription rate is \$115.00. For individual subscribers certifying that the journal is for their personal use only, the 1975 subscription rate is \$40.00.
