D. Zipori, Rehovot

*The International Journal of Cell Cloning* is published 6 times annually. Volume 7 with 6 issues appears in 1989. Postage paid at Dayton, Ohio.

**Subscription rates:** \$60.00 (personal) or \$125.00 (institutional) per year, including postage. Air mail delivery available at an additional \$25.00 per year. Information on availability and prices of single issues can be obtained from the Publisher.

**Subscription orders:** Orders can be placed with the Publisher, AlphaMed Press, 4100 South Kettering Boulevard, Dayton, Ohio 45439-2092 (USA). Telephone: (513) 293-8508. FAX: (513) 293-7652.

**Change of address notices,** including both the subscriber's old and new address, should be sent to the Publisher at least one month in advance.

*Cell Cloning* is regularly indexed by Current Contents/Life Sciences-Science Citation Index and by Index Medicus.

**Book reviews:** Books are accepted for review.

**Advertising:** Correspondence and rate requests should be addressed to the Publisher.

**Copyright:** © 1989 by AlphaMed Press. All rights reserved. Material printed in the *International Journal of Cell Cloning* is covered by copyright. No part of this publication may be reproduced or transmitted in any form without written permission of AlphaMed Press, except under circumstances within "fair use" as defined by U.S. Copyright law. Authorization to photocopy material under circumstances not within "fair use" as defined by the U.S. Copyright law is granted by AlphaMed Press, provided that the fee of \$2.00 per article is paid through the Copyright Clearance Center, 27 Congress St., Salem, MA 01970. Such photocopies may not be used for advertising or promotional purposes, for creating new collective works or for resale. Individuals may make single photocopies for personal, noncommercial use without obtaining prior permission. Non-profit institutions such as hospitals are generally permitted to make copies of *Journal* articles for research or teaching activities (including multiple copies for classroom use), at no charge, provided the institutions obtain the prior consent from AlphaMed Press. For more information, contact the Publisher, AlphaMed Press, at the address given below.

*International Journal of Cell Cloning* is printed in the United States of America.
