

Forthcoming Meetings

Powder Europa

Powder Europa, the first international Conference and Exhibition on Powder and Bulk Solids Technology to be held in continental Europe will take place in Wiesbaden, West Germany, on 24 - 26 January, 1978. The event is sponsored by the International Powder Institute (with offices in London, U.K. and Chicago, Illinois) and the organisation will be in the hands of Kiver Communications, the European branch of Industrial and Scientific Conference Management, Inc., who organise the International Powder and Bulk Solids Handling and Processing Conference/Exhibition held in Rosemont, Illinois, U.S.A.

Programme organisation will be in the hands of the Powder Advisory Centre and a Call for Papers will soon be issued. Official languages will be in English and German with simultaneous translation. A substantial international participation is anticipated and further details may be obtained from the organisers, Kiver Communications Ltd., 149/155 Ewell Road, Surbiton, Surrey KT6 6AW, U.K., Telephone: 01-390-0281, Telex: 929837.

International Conference on In Stream Measurements of Particulate Solid Properties

Chr. Michelsen Institut, Bergen, Norway,
22nd and 23rd August, 1978

The Conference will be concerned with the principles and methods suitable for the automatic measurement of particulate solid properties with a view to process control. Authors wishing to submit papers for the Conference should send a typed abstract of their papers which must be in English to Dr. R. Eckhoff, Chr. Michelsen Institut, Nygardsgaten 114, 5000 Bergen, Norway by 1st July, 1977. Full papers will be required by 31st March, 1978.

Powders and Particles

A two day conference, sponsored by the Fine Particle Society, on Powders and Particles will be held August 25 and 26 at Stanford Research Institute Conference Center, Menlo Park, California, U.S.A. Outstanding U.S. and foreign speakers will discuss problems. Fee \$ 30 for non-members, \$ 22 for members. Information from A. Lieberman, Royco Instruments, 141 Jefferson Drive, Menlo Park, CA 94025, (415) 325-7811.
