

ASNC EDUCATION CALENDAR

The American Society of Nuclear Cardiology (ASNC) is an accredited provider of continuing education for physicians and technologists. ASNC provides outstanding educational programming for the nuclear cardiology community, including interactive workshops, Board Prep review courses, webinars, local learning groups, and specific programs for online users. For more information, visit: www.asnc.org (Education section).

GO TO EDUCATION/ONLINE EDUCATION ON WWW.ASNC.ORG:

MPI Webinars-Complimentary!

ASNC & IAEA bring you a series of six complimentary webinars in 2013. All webinars are archived on the asnc.org website under Education. No CME is offered with these programs.

Each webinar is at 9:00 p.m. Pacific Time

An ALL NEW On Demand has been developed and is now available to purchase. Go to Education/Online Education on www.asnc.org to get your copy today!

ONLINE EDUCATION:

Patient-Centered Imaging: Strategies for Reducing Radiation Dose Levels in Nuclear Cardiology Studies
Interactive case-based CME/CE online activity (1.5 CME/CE credits)

To purchase, go to Education/Online Education on www.asnc.org

ASNC2013 Scientific Session On Demand-All New! (50 CME/CE credits)

An ALL NEW On Demand with CME credit has been developed from the ASNC 2013 Annual Meeting program. Purchase by going to Education/Online Education on www.asnc.org

Quality Considerations for PET & SPECT (2.5 CE credits)

To purchase, go to Education/Online Education on www.asnc.org

PET & SPECT Highlights (2.75 CE credits)

To purchase, go to Education/Online Education on www.asnc.org

ASNC NOTES:

ASNC's MONTHLY NEWSLETTER-IMAGING INSIGHTS

Are you receiving ASNC's e-newsletter, *Imaging Insights*, each month? If not, contact ASNC at marketing@asnc.org-your email address may not be correct!

DON'T MISS AN ISSUE!

Renew your ASNC membership online so that you continue to receive the *Journal of Nuclear Cardiology* and many other benefits of membership in 2014!

CALL FOR ABSTRACTS FOR ASNC2014

Look for announcements for Abstract submissions for the ASNC2014 Annual Meeting! Plan to submit your original work early next year!

FELLOWS-IN-TRAINING

Are your Fellows ASNC members? If not, they should be! Membership is free! Tell the Fellows in your program to join ASNC today by going to www.asnc.org (Membership). Fellows receive discounted member rates on all of ASNC's

programs and meetings, as well as a free subscription to the *Journal of Nuclear Cardiology*! (Fellows free subscription is supported by a grant from Astellas Pharma US Inc.)
